

CUMMINS COLLEGE OF ENGINEERING FOR WOMEN, NAGPUR

NSS UNIT

PROPOSED ACTIVITIES AND BUDGET REQUIREMENTS

1. Proposed events:

SN	PROPOSED EVENT	PROPOSED DATE	VENUE
1	Visit of RTMNU Program Coordinator		CCOEW seminar Hall
2	Greeting card preparation and exhibition cum sale		CCOEW campus
3	Swami Vivekananda Digvijay Din		CCOEW seminar Hall
4	Initiative on Road Safety with Rural RTO		
5	Voter Registration drive		
6	Camp for one week.		Salai Mendha

2. Proposed activities at Salai Mendha:

1. Special efforts are needed to work with women groups in the village to make them financially strong by starting some productive activity. Sewing machine training and some revenue generating activities are expected to be carried out in this year.
2. Education is the field where there is scope to work for and it can change the scenario in the village about literacy and livelihood. Some adult education drive and mobile library in collaboration with CSR of industries is under consideration.
3. Though only 14 kms away from tehsil place there is no public transport facility and efforts are needed in this regard. We will talk to State Transport office for starting the service.

4. NSS unit can help by introducing people to various government schemes and make them knowledgeable about the benefits of these schemes. Students shall make posters and demonstrate the same and explain various schemes to the villagers.
5. Food processing units on small scale can be developed by students and research fellows in the institute, which may be beneficial to the village as earning source. Mechanical engineering students interested in starting the ata mill which is under brake down since last 2 years in the village.
